Net cost is \$33.75 per dozen, regular price is \$45.00 per dozen

* Orders must be of the same ball type and contain the same personalization on all golf balls.

* All orders include free personalization, logos and custom numbers are not available under this promotion.

The difference between Chrome Soft and Chrome Soft X

While the Callaway Chrome Soft and Chrome Soft X are both soft Tour quality balls, the X has a slightly firmer feel and is aimed at players with a swing speed that is at the higher end of the spectrum. Both offer explosive distance with Tour Caliber control.
