

2019 High School Girls Get Golf Ready Program

@ Western Lakes Golf Club

INTRODUCTION

Designed for all levels of high school golfers, this Get Golf Ready Program is beneficial to both those players who are looking to make the golf team for the first time, or the more experienced player looking to climb the ladder on the varsity team. The course will consist of four classes keying on two components. The first component will teach the student how the golf swing actually works and how to analyze cause and effects of good and bad swings. The second component will consist of actual range time where we take the knowledge learned and use it to improve the individual students swing. There will be a maximum of 3 students per instructor to ensure that everyone receives individual attention.

YOUR INSTRUCTORS

All sessions will be taught by PGA Head Golf Professional Garrett Mack, PGA Life Member Carl Unis, and PGA Associate Chris Elrod. Together they combine over 50 years of teaching experience and have taught students ranging from beginners to PGA Tour Professionals.

EQUIPMENT NEEDS

For the first session, no clubs are needed, please bring your clubs to the other three sessions. If you are new to the sport and do not have golf clubs, let us know and we can provide you with clubs to use to get started. When the time is right, we will help find the right equipment for you at the right price.

If you are looking to make club changes in 2019, Western Lakes sells all of the major equipment brands including Callaway, TaylorMade, Mizuno, Titleist, Cobra, and Tour Edge at the lowest prices in town. Please call Garrett Mack directly with any equipment questions at 262-825-4653.
