Experience

Dear Golfer,

Thank you for your interest in hosting your event at Western Lakes Golf Club. We take great pride in our golf course, facilities and staff. With over 35 years of experience, we welcome the opportunity to show you why we've become the golf outing specialists in southeastern Wisconsin.

First and foremost, we offer one of the finest 18 Hole Championship golf courses in Wisconsin, along with an extraordinary practice facility to get everyone swinging on the day of your event. Second, our **location**, just minutes off of I-94 in Pewaukee and only 20 miles from downtown Milwaukee, is sure to be convenient for all your outing participants.

We are also very proud to feature Zilli Hospitality Group as our on-site food service operation. They have delicious options for every price point, and whatever you choose, it's perfect every time.

Lastly, if your event is designed to raise money for a charity, we can suggest ideas that we've seen work to raise a lot of money over the years.

We've helped charities raise over 25 million dollars at Western Lakes over the past thirty five years!

Thank you for considering WLGC to host your event.

**Sincerely,
The Western Lakes Team**

Location, Location, Location

Take I-94 to Hwy 55 and head north to Oakton Road.

We are conveniently located just 20 minutes from downtown Milwaukee.

"Everyone did an outstanding job of making us and our golfers feel welcomed and appreciated."

**The fundraising chairperson should focus on corporate sponsorship with assistance provided by any other volunteer that may have an opportunity.

It is important to assign an appropriate person the chair on each committee. Consider any experience they may already have in addition to whom they may be able to recruit for his or her sub-committee. Once the committee chairs are decided, any remaining volunteers should be divided amongst the groups.

Please keep in mind, it is always imperative that each of the committees realize the importance for each committee group to assist the other groups to accomplish the overall goal. Each committee is not limited to just their category, and if for example a lead regarding a potential sponsor would come to light while pursuing raffle items that should be immediately pursued to help the overall goal.

****If purchasing Halfway Harry's package**

****Available if using Golf Genius LIVE Scoring offered by WLGC**

Offering corporate golf + sponsorship packages is also a good way to fill them out. (Ex. 4some + 4 Wristbands + Hole Sponsor = \$700)

- A common way to get sponsors is to have them donate small corporate items from their company as part of a give away bag for each golfer.

- Keep your costs down (ex. Design, Printing, Advertising, etc.) by trading a sponsorship for the items you need to host your event.
